MEMORANDUM FOR: Commanding Officer
Army Map Service

ATTENTION: Technical Services Division
Map Library Branch

SUBJECT: Transmittal of Materials

1. As a partial response to an AMS request for the collection of maps and related information on the USSR-Afghanistan boundary, there are attached, for your retention, 401 pages of a document of approximately 800 pages which contain geographic coordinates and terrain descriptions of 80 boundary pillars between the towns of Zulfiqar and Kham-i-Ab. The remaining pages will be available in the near future.

25X1A9a

2. This material has been discussed with [REDACTED] Plans Division, who indicated that AMS has the capability for translating this information from Farsi into the English language. It is accordingly requested that one copy of a translation of the document be returned to this Office in order that it may be retained in the CIA Library for general use of the Intelligence Community. An identifying CIA report number will be assigned to cover the document after the translation is received.

3. This material is classified SECRET/NOFORN/CONTINUED CONTROL. Questions concerning this material, including the classification, should be directed to [REDACTED] Code 143, Extension 4812. 25X1A9a

4. It is requested that the attached evaluation form covering this material be completed at your earliest convenience.

FOR THE ASSISTANT DIRECTOR OF RESEARCH AND REPORTS:
